

TENTAC

A Global Partner Creating Value in Apparel Accessories

Over 50 Years of Excellence

A Global Company with a Strong Foundation

With more than half a century of experience, TENTAC Co., Ltd. is a global company headquartered in Tokyo, Japan, with operations in 10 locations worldwide. We specialize in providing high-quality apparel accessories, including labels, tags, and packaging materials, as well as custom-designed solutions that enhance brand identity and meet diverse client needs.

Innovative RFID Solutions

One of our flagship products is RFID (Radio Frequency Identification) tags, which streamline inventory management and improve traceability. These innovative solutions have gained widespread recognition not only in the apparel industry but also across various other sectors.

Expanding Market Presence Beyond Apparel

By leveraging our decades of expertise, we are actively expanding our market presence beyond the apparel sector. Through our versatile product offerings and industry-specific solutions, we empower clients across a wide range of markets to maximize their brand value.

Commitment to Innovation and Sustainability

At TENTAC, we are dedicated to innovation, sustainability, and exceptional quality. From adopting eco-friendly materials to delivering trend-forward, functional designs, we continue to create value for our clients.

Partnering for a Better Future

We look forward to building long-term partnerships and exploring new possibilities together.
